2:30pm-3pm Rounds end	4:00pm Awards Ceremony
4:00pm Awards Ceremony (or earlier if rounds end early)	

PARKING:

On Sunday, there are sections of streets where you can park. Or there are [parking options around the campus](#).

If you plan to take public transportation in NYC, please check the service change here:

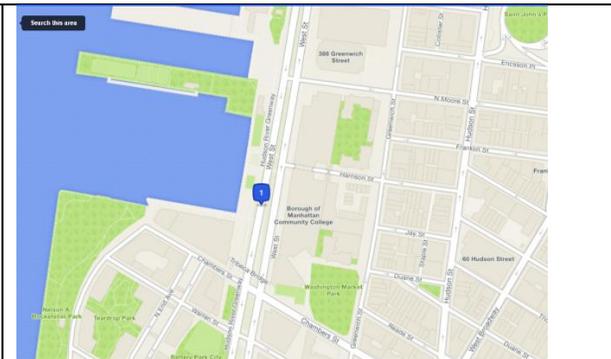

<http://www.mta.info/>

TEAM CHECK-IN:

This year, each team will have a sign-in sheet where all members and mentors have to sign in (with their names). Form will be available at sign-in time. (*Elizabeth will try to get that before the competition*). **You will receive detailed schedule at check-in time (Rounds for all teams.)**

TEAM SET-UP AREA:

This year, team set-up area is inside of the Richard Harris Terrace. This room is **ONLY** for team members. No mentor or parents can stay inside because of the maximum capacity of the room.

LUNCH:

There is no lunch vouchers this year. There are plenty of places around the campus where you can eat/buy lunch. This is [a link to the Yelp.com](#) just for your reference. (Do note, the link is for your convenience only, not endorsed by us in any mean). Please coordinate logistic as far as how and when to meet your children for lunch. I encourage team goes to lunch at the same time.

FAMILIES AND MENTORS:

Please be aware that the College is in session and students will be there for their classes throughout the day. **ONLY team members are allowed in their own work area**. Therefore, please do coordinate the logistic to meet for lunch after you get their schedule at check-in.

On 5/6, the theater is used for OnStage competition, where you can watch their performances. Please spend sometime to cheer up the OnStage teams!

You will hear from the league chairs with more detailed information about the schedule/games/rounds/performances once it gets closer to the event.
