

## Steps to obtain your Rebate for purchasing RobotC License:

Storming Robots is not a direct seller of the product, RobotC™ - intellectual properties from Carnegie Mellon Robotics Academy. This means your payment goes to RobotC.net, not Storming Robots.

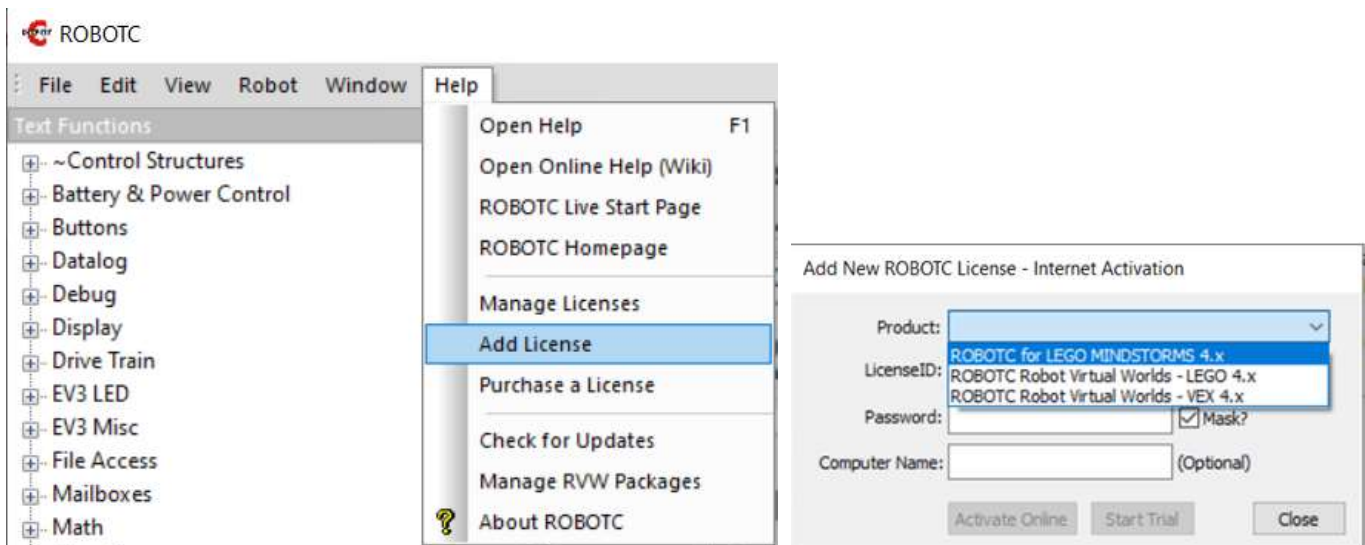

Your purchase through <https://robotc.stormingrobots.com> website will allow us to pass on SR's 20% commission from RobotC to you. However, in order for us to so, verification is required. Here is the instruction to obtain the rebate:

1. Capture the activated license screen
2. Email the following to [office@stormingrobots.com](mailto:office@stormingrobots.com):
